

CHANGES TO THE DESERT SYMPOSIUM

Please review “Information for Authors” on the DS web site (www.desertsymposium.org).

An example of manuscript style can be seen in the 2016 Symposium volume at

<http://nsm.fullerton.edu/dsc/desert-studies-center-additional-information>

Changes to the Desert Symposium:

Register early! Attendance is limited to 100 persons. All registration forms and fees must be received by April 6, 2018. There will be no registration at the door.

Changes to Volume:

In an effort to control costs, papers must be concise: 7000 words or less, including tables and figure captions. Authors will no longer receive a free copy. PDF copies will be available on line. Place an order on the registration form for a paper copy costing \$30. Field trip attendees are encouraged to reserve a volume, which contains the road log.

Graphics and images will be printed in black and white. Review your colored graphics as grayscale to see if your figures are legible in black and white. Color images will be reproduced in the pdf version of the volume.

In an effort to exchange data and answer questions, the editors strongly encourage all authors to be present at the symposium. An email address is required for the senior author on the submittal.
